4.2.2 Cterminal Degrees: Implementation

1. Application and Admissions

PROCESS STEPS | RESPONSIBILITY
---|---
1. Submits to the prospective graduate department or program the following application package via the ApplyWeb system:

- Application for Admission to Cterminal Masters' Program [1],
- statement of purpose,
- preliminary program proposal,
- two letters of recommendation from Stanford professors,
- a current Stanford transcript,
- Graduate Record Examination (GRE) scores or other requirements specified by the prospective department.

Student

2. Optional: submits a completed Cterminal Course Approval Form [2] with the cterminal application package, indicating which courses the student requests for transfer from the undergraduate to graduate career.

Student

3. Creates a PeopleSoft application record for an admitted Cterminal applicant. Posts an admissions decision. (See Processing Coterm Applications [3])

Department

4. When admitted, responds to the offer of admission no later than the quarter prior to the expected completion of their undergraduate degree.

Student

5. Obtains and records the student’s response to the offer of admissions.

Department

6. Submits the completed and approved Coterm Application to the Office of the Registrar (Degree Progress) by updating the Decision Response field in the Admit system no later than the quarter prior to the expected completion of the undergraduate degree.

Department
7. Process completed coterminal applications and coterminal course transfers in PeopleSoft; notifies the student of successful matriculation. Registrar

8. Student is assessed a $125 application fee. Student Services Center

2. Tuition Assessment

Graduate tuition assessment is governed by the policies defined in GAP 6.1, Graduate Tuition Categories [4].
