2.2.2 Requirements for New International Students: Implementation

1. Obtaining F-1 Visas for Degree-Seeking Students

The following steps must take place as soon as possible after the student has accepted the offer of admission.

<table>

</table>

Last updated on:
After accepting the offer of admission, logs into their Axess account and submits an online transaction request for I-20 (including for dependents, if applicable), to the Graduate Admissions Office. For information see [https://gradadmissions.stanford.edu/admitted-students/entering-stanford/international-students/student-visas](https://gradadmissions.stanford.edu/admitted-students/entering-stanford/international-students/student-visas)

Indicates, on the I-20 request form, whether the form should be sent by regular airmail or agrees to pay courier service. (If couriered, this charge is added to student’s bill.)

Must also provide the following documents in the online I-20 request form (in PDF format):

- Legible copy of the passport page(s): photo page with machine-readable strip including page with current expiration date if not on the same page.
- Verified sources of funding documents in US dollars that meet or exceeds the Estimated Student Expense budget.

Note: Applicants to the School of Medicine MD program, Graduate School of Business or School of Law have a separate visa request form. The student submits those forms to the school to which he or she is applying, and that school forwards the completed package to Graduate Admissions.

2. After verification of all academic credentials, receipt of ETS scores and evidence of sufficient English proficiency, submits the online I-20 form to Bechtel International Center.

3. Reviews financial documents and creates form in PeopleSoft Pass

4. Batch processes the I-20 in SEVIS and retrieves the processed I-20.

Prints and signs the I-20 form and either mails directly to the new student or notifies the department to pick up.

Note: Departments should make arrangements with Bechtel staff ahead of time if they would like to pick up and to mail these forms. These arrangements are already in place for the Schools of Medicine, Law and Business.

6. Clears student for matriculation and places enrollment hold.

7. Pays the SEVIS fee and applies for a visa with the necessary documents and visa fee to the US State Department (Embassy location).
