### 2. Visiting Student Researchers

1. Consult with department chair about feasibility and policy related to sponsoring a VSR.  
   **Faculty member**

   Prepare and send to Graduate Admissions, Office of the University Registrar, a letter of invitation including:
   - exact dates of start and finish (the Registrar's Office MUST be notified if the dates of attendance change)
   - the monthly fees, cost of health insurance, and Campus Health Services Fee
   - signatures of BOTH the sponsoring faculty member and department chair
   - signature of the VSR accepting the terms set forth in the letter.

   A sample template for this letter is available on the [Registrar’s website](#).  
   **Department**

2. Receive from the applicant and forward to the Graduate Admissions Office the following:
   - A completed Bio-Demographic form available from the Registrar’s Office website
   - Transcripts of current graduate work
   - Undergraduate transcripts with degree conferral posted or a copy of a degree certification or diploma.  
   **Department**

   For international applicants, receive from the applicant and forward to the Graduate Admissions Office:

   3. Copy of the passport  
      **Department**

   4. If Visiting Researcher is requesting J-2 visas for dependent: copy of the dependent passport, date of birth, place of birth.  
      **Department**

5. Upon verification of the documentation and approval, activate the student’s record in PeopleSoft SA and provide the EMPLID to the program.  
   **Graduate Admissions**
